## **SHOW RULES AND REGULATIONS**

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the rules is NOT included with this schedule all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. (Copies of the Rules may be obtained from the GCCF Office, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset. TA6 4AG).

## **REGISTRATION**

No cat or kitten, entire or neutered, born after 19.10.71 with one or both parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show. If the registration form has not been received when completing the entry form, write the name applied for and put NAF (Number Applied For) in the appropriate columns and forward number to the Show Manager as soon as possible. Your first choice of name should be entered in the appropriate column. Cats registered on the Reference Register are not eligible to be shown and these entries will be disqualified.

All Household Pets 6 months and over must be neutered.

## **SHOW ENTRY**

The registered owner/s must complete the official entry form exactly as recorded on the registration/transfer certificate. The registered owner/s are responsible for the correct description of the exhibit and for entering them in the correct classes. Please print the details to avoid confusion over spelling of names etc. please do not omit to read and sign the declaration – if joint owners, both must sign the form. Exhibits must be entered in the appropriate Open class and three other classes. Alterations to entries must be made in writing and corrections may be made up to the close of the show. No telephone alterations and/or deletions will be accepted.

**PLEASE INCLUDE AN OPEN STAMPED ADDRESSED ENVELOPE TO CONFIRM ACCEPTANCE OF YOUR ENTRY.**

## **VETERINARY**

Exhibits will be received at the entrance of the Show hall from 8.00am until 9.30am on the morning of the Show. All exhibits must be brought to the Show in baskets or suitable containers (preferably top opening) and must be accompanied by the owner/s or their representative. Each exhibit will be examined by the Veterinary Surgeons, who are authorised to exclude an exhibit they consider unfit. No exhibit may be penned before being so examined. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner/s and the Entry Fees forfeit. If, in the Veterinary Surgeons, opinion, it is desirable, all other exhibits from the same household and owner/s shall be debarred from attending the Show. The Veterinary Surgeons decision is final. Where an exhibit has been rejected, it shall not be represented to a second Veterinary Surgeon. The procedure to be adopted in such cases is clearly stated in the GCCF Rules.

Amended Rule (Section 2, Rule 5e, Effective 01.06.2002). All exhibits must have a current vaccination certificate against FIE, FVR and FCV (cat flu). The full course or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The Certificate must have been issued by a veterinary practice/hospital and the last entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats without a valid vaccination certificate will be rejected under Section A (unless the Certificate is received by GCCF within 7 days of the Show).

The certificate should clearly indicate the identity of the exhibit and owner and must be available for inspection at vetting-in. N.B. Homeopathic vaccination cannot be accepted for the purpose of showing under Section 4, Rule 4f.

If a cat should require any veterinary treatment in the absence of the owner, the owner/exhibitor shall be liable for any costs incurred.

The GCCF recommend that all cats and kittens owned by exhibitors be regularly tested for FeLV and FIV. Cats or kittens showing a positive reaction to a Feline Leukaemia Virus or Feline Immunodeficiency Virus blood test must not be shown.

## **JUDGES**

Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card. A Judge's decision is final. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete. Exhibitors may withdraw their exhibits from competition in any Breed or Title Class affected by changes in Judges and entry fees for such classes must then be refunded on demand. Penning fees are not repayable. Entries will not be accepted from Judges officiating at the Show.

## **PRESENTATION OF EXHIBITS**

Take pride in presenting your exhibit; be sure it is comfortable, warm and relaxed. Exhibitors should provide each exhibit with a white sanitary tray, white drinking bowl and a clean, plain white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-Bed or like material may be used if preferred. A hot water bottle, heat reflecting material or cool-pack may be used, provided they are covered by the blanket. A container of water must be left in the pen but food containers must be removed before judging commences at 10.00am and cannot be returned until 12.30pm. White equipment may be purchased at the Show. The use of grooming aids in the Show Hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substances may be left in the coat of exhibits. The use of shampoos that may change the colour of the cats coat can lead to disqualification. The use of any products, including Skullcap or Valerian, which change a cats normal appearance or physical reaction is forbidden at GCCF Shows and will lead to disqualification under Section 4, Rule 14.

## **JUDGES ARE INSTRUCTED TO PASS ANY PEN THAT IS DISTINGUISHED IN ANY WAY**

Please note that any Cat, Kitten or Neuter biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The exhibit will be withdrawn from the Show and the owner informed in writing, with a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information shall be given to the GCCF for consideration.

Vetting-in slips, exhibitor's passes, etc. will be handed to exhibitors at the Show Hall entrance. No written or printed matter other than official notices and award cards may be put on the competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit.

Exhibits actually received in the Show Hall cannot be removed without the written sanction of the Show Manager. Exhibits are received on condition that the Club shall not be held responsible in any way for any loss or damage to persons, cats, baskets or any other property, or in any other way.

No exhibit may be removed from its pen before the Show closes at 5.00pm. Failure to observe this Rule will result in disqualification or forfeiture of any awards or prize money. This Rule will be strictly enforced.

### **EXHIBITORS**

Any person (whether an Exhibitor or not) in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall and they must not be held in such a way as to annoy other exhibits. No one may remove any exhibit from its pen except the owner or a Club Official. Would exhibitors please note that advertising the future attendance of your cat(s) at any GCCF Show could lead to disciplinary action under Section 4 Rule 18 and great care should be taken when advertising in magazines, newspapers, newsletters or on the Internet.

No photographs may be taken without the specific permission of the Show Manager and the exhibit's owner.

### **TOXIC DISINFECTANTS, AEROSOLS AND SPRAYS ARE BANNED FROM THE SHOW HALL**

**SECTION 3 Rule 11** (effective 1.6.97) No person may steward at all for any Judge under whom he or a member of his household is exhibiting in a Breed or Title Class. This rule also applies to any person who is acting as an agent for the owner of a cat entered in a relevant class. This shall also include cats not entered in the Breed but to be considered for Best of Breed. "Agent" is defined as "any person given responsibility by the owner for the cat on show day".

**IMPORTANT:** Queens who are pregnant, lactating or who have kitted within the previous 12 weeks must not be shown. Veterinary Surgeons are instructed to reject any queen in these conditions.

### **The Committee reserve to themselves the right to**

- a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges should they be required.
- b) Fix and limit the number of exhibits at the Show and refuse entry without giving a reason
- c) Cancel, amalgamate or divide classes.
- d) Publish a catalogue of the Show containing information as to the exhibits and names and addresses of the exhibitors.
- e) Refuse admission to the Hall without giving a reason.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- g) The Show Manager on behalf of the Committee reserves the right to pass on any charges incurred to the Exhibitors who cheques are refused payment by the Club's Bankers.
- h) Disqualify cats entered in the wrong class by the exhibitor.
- i) Publish an announcement in OUR CATS of any alteration in the Schedule or The Show Rules and Regulations and this shall be deemed sufficient notice.

## **SHOW WITHDRAWALS**

Exhibitors wishing to withdraw their cats are requested to telephone the Show Managers immediately. However, action will only be taken upon receipt of written confirmation, stating reasons for withdrawal. N.B. Please note that after the published closing date of the show, a Show Entry cannot be withdrawn (Section 4 Rule 27) and details will be published in the Catalogue. There will be no refund of Entry Fees after the published closing date or if the cat is not present at the Show.

Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeder's Class,
<b>DEBUTANTE</b>	Exhibits that have never been shown at a show held under GCCF Rules. (If Debutante Adult and Neuter classes are offered at a show, entry as a Debutante Kitten does not count when the exhibit is shown as an adult or neuter and entry as a Debutante Adult or Kitten does not count when the exhibit is neutered and shown).

Wins as a kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

## **GENERAL GUIDELINES FOR ENTERING SHOW**

Where possible always complete your entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the Show Entry Form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration and put RAF (Registration Applied For) or TAF (Transfer Applied For) or both in the Registered No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for Show, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form, then, when you receive registration details and number, check these against the entry form and NOTIFY THE SHOW MANAGER IN WRITING of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the Show is checked. All catalogue errors are checked against the original entry form and exhibitor's letters are used for reference. Show managements are permitted to accept corrections at their own discretion, up to the close of the Show (on Show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of owner.

If you are entering several cats from your household and registered owners (exhibitors) differ within that household/family, check with the Show Managers whether using one entry form is acceptable or not and, if it is, indicate very clearly which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and BOTH MUST SIGN.

GCCF Rules Section 4 Rule 26 – Exhibitors are reminded that the decisions of judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

## **STATUS OF ERRORS – WHAT TO EXPECT**

### Minor errors

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:-

- a) Spelling errors.
- b) Separation of cat's names that should be one word and vice versa.
- c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit.
- d) Overseas title preceding the name of an exhibit, sire or dam etc.
- e) Full breed number known but not given.
- f) Sire and Dam reversed or named incorrectly.
- g) Breeder joint when single, and vice versa.

### **Incorrect date of birth**

This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

### **N.B. AGE LIMITS**

Kittens - not less than 14 weeks and under 9 calendar months on the date of Show.  
Adults - not less than 9 calendar months on date of show

### **INCORRECT NAME OF EXHIBIT/OWNER/BREEDER**

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	Totally incorrect name.
REGISTERED OWNER/ (EXHIBITOR)	Joint when they should be single and vice versa. Declaration not signed by registered owner(s). N.B. The Exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the Show.
BREEDER	Totally incorrect name or names.

N.B. the breeder of a cat is always the registered owner of the Dam on the date of the cat's birth.

### **Registration/transfer not received by GCCF 21 days before the date of the show**

These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

Transfer of exhibit from exhibitor to a new owner received more than 21 days before the date of the show

These entries will also be disqualified as the exhibitor's entry form becomes invalid.

### **Incorrect or ineligibility of class entry**

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

### **Cats registered on the reference register**

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown, even if they are registered on the Reference Register, as long as this was the only reason for the Reference Registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention Show Checking.

## **VETERINARY CLEARANCE CERTIFICATES**

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your Clearance Certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, self-addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

Please note that any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any capacity which requires the handling of cats at shows until a clearance certificate, as required by the GCCF, has been obtained.

**DATA PROTECTION ACT:** Please note that entry form details will be processed by computer.
